## **Vectren Corporate Sponsorship Helps Support 'LINCOLN'**

LINCOLN CITY, IN ---- Visitors to this summer's production of LINCOLN will see Broadway quality sets and lighting, thanks in part to a \$10,000 corporate sponsorship from Vectren.

"We are extremely appreciative to Vectren for their generous donation," says Lincoln Amphitheatre's executive producer, Steve Wright. "Their support moves us closer to our goal of sharing the story of Lincoln's Indiana years with audiences all summer long."

"Vectren is pleased to support Lincoln Amphitheatre in honoring Abraham Lincoln," says Jeff Whiteside, vice president of sustainability and external affairs. "We recognize the importance of examination, preservation and presentation of the history of our communities and our culture. Vectren is committed to enhancing the communities in which we live and work through funding projects that help us appreciate the arts and our rich heritage."

The world premiere of LINCOLN, by playwright Ken Jones, will take place this summer on the very grounds where Abraham Lincoln grew up. Performed in a 1,500-seat, roofed amphitheatre, LINCOLN will leave audiences with a deep understanding of the role Indiana played in forging the character of America's 16<sup>th</sup> president. Lincoln Amphitheatre offers a "Lincoln experience" that includes an Amish-style meal, pre-show activities for children and adults, and theatre under the stars. Enhanced by multimedia projections and period music, the production of LINCOLN will give theatre-goers an insight into the life of the man whose legacy continues to impact the future.

The world premiere of LINCOLN will take place June 12, with shows nightly except Monday through August 15; tickets are available online or by calling the box office. Lincoln Amphitheatre is located inside scenic Lincoln State Park in Lincoln City, Indiana.
