# Lincoln Amphitheatre to Reschedule May/June Events

**Lincoln City (March 24, 2020)** – Due to federal and state efforts to responsibly and effectively mitigate the spread and the risks associated with COVID-19, the Lincoln Amphitheatre has rescheduled all of its May and June events. Events affected are the May 16 Captain Fantastic (Elton John tribute), the May 30 All My Rowdy Friends (Hank Williams, Jr., tribute), the June 6 Samantha Fish performance, the June 13 Wreking Crue (Motley Crue tribute), and the June 26-28 Lincoln production *The Rivalry*.

New performance dates are as follows:

- Captain Fantastic (Elton John tribute) new date: July 11; originally scheduled for May 16.
- All My Rowdy Friends (Hank Williams, Jr., tribute) new date: August 29; originally scheduled for May 30.
- Samantha Fish new date: Saturday, October 3; originally scheduled for June 6.
- Wreking Crue new date: August 1; originally scheduled for June 13.
- *The Rivalry* new dates: September 11-13; originally scheduled for June 26-28.

For the time being, all other Lincoln Amphitheatre 2020 performances will remain as scheduled. If you have purchased a ticket to any of the rescheduled events, you are encouraged to hold on to your tickets as they will still be valid on the new dates. If the change of date affects your ability to attend the event and you would like a refund, please email [lincolnamphitheatre@visitindiana.com](mailto:lincolnamphitheatre@visitindiana.com) or call 812-937-2329. Please submit or have your order number ready.

“We work tirelessly to provide a safe environment in which our customers can enjoy performances and the bands, performers, and staff can operate without hesitation,” said Marc Steczyk, director of the Lincoln Amphitheatre. “Out of an abundance of caution, we determined it best to reschedule our earliest events of the 2020 performance series. It is our hope that, by rescheduling this far in advance, we will avoid cancellations later due to an inability to coordinate new dates with nationally touring talent.”

Individual tickets for each of the 2020 Lincoln Amphitheatre performance series events are on sale now at [www.LincolnAmphitheatre.com](http://www.LincolnAmphitheatre.com). Ticket prices are inclusive of concert admission, parking, facility and service charges, as well as Lincoln State Park’s gate fee. Seating for all shows and sections is general admission/festival seating. VIP tickets include preferred seating, as well as a complimentary drink voucher good for Pepsi products or beer/wine products. Concessions, venue merchandise, and artist merchandise (when applicable) will be available for purchase at each event.
